## Spring 2024

### Savings at Any Age!

Remember that Enable accounts can be opened at any age. We have Account Owners from 1 to 89! It's never too early (or late) to save! While Account Owners do need to have incurred their disability before the age of 26 (going up to 46 starting 1/1/26), they can open accounts at any time. Parents can use the accounts to save for their children's future, and adults can save for theirs! Starting early can also allow others to start small; and let their money really go to work for them!

### Upcoming Webinars and Events

ABLE Today and SSA are hosting a webinar about Social Security Benefits and ABLE plans on April 4 at 1 PM ET. There is also a webinar with ABLE Today and Autism Speaks about Employment on April 24 at 2 PM CDT. These and other webinars hosted by ABLE Today can be found at <https://www.abletoday.org/webinar-home>.

On April 24, Enable will be at the Community Resource Fair in Columbus, NE at the Columbus Community Library from 1-4 PM. Follow us on Facebook for more events as they are scheduled.

Have an event you would like Enable to attend? Have a group who would benefit from a presentation? Email Stacy Pfeifer, Director of Enable Savings Plan, at [stacy.pfeifer@nebraska.gov](mailto:stacy.pfeifer@nebraska.gov) to set up a meeting. Stacy speaks with all kinds and sizes of groups, and loves to educate individuals on how Enable can work for them.

### Coming Soon!

Enable is in the process of launching a crowdfunding site! This will be a place where Enable Account Owners can seek donations to help them cover qualified disability expenses. We are preparing to enter the testing stage. Keep your eyes peeled for the website to go live!

# Consider Using Ugift for Upcoming Celebrations!

Have a birthday coming up? Graduating this year? Celebrating some other life event? Instead of loved ones gifting cash, ask them to contribute to your Enable account. You can find your Ugift code by logging into your Enable account, selecting “View and Invite Savings From Ugift” from the menu on the left side of the page, and then you should see your six digit alpha-numeric Ugift code. Once you get your code, you can share it with loved ones along with the website. They can visit the website, enter the code along with the amount they want to give and their name, and complete the payment electronically or by mail. The money will go directly into your Enable account. Additionally, Nebraska residents can use the Ugift code and the amount they gave when filing for the Enable tax deduction on their Nebraska income taxes, subject to certain limitations.

## Treasurer’s Office Message:

As a farmer, I look forward to spring as a time that is both exciting, but also a lot of hard work. It’s planting season, and that means a lot of planning and a lot of time getting the job done. I’m fortunate that I have the support of my family and friends. For so many of our Enable partners, however, the planning and the hard work are there day-in and day-out. That’s why I’m proud of the work my office has done to support and improve the lives of Enable account holders. As you “plant” the seeds of a successful life, remember that we are here for you!
