## Fall 2024

## 'Tis the Season for Giving AND Receiving!

As we near the holiday season, receiving gifts for individuals with disabilities can sometimes be stressful. One may worry about being over-resourced due to receiving gifts. By sharing your UGift® code with friends and family, you can avoid that worry and have the money put directly into your Enable account!

### How to find your UGift® code:

1. Go to [enablesavings.com](https://enablesavings.com)
2. Log into your account
3. Choose "View and Invite savings with Ugift®" from the menu on the left side of the profile page.
4. This will bring you to the Ugift® page, and you will see your six-digit alpha numeric code.

### Share your Ugift® Code:

Feel free to share your code on social media, or through email, text, etc. with family and friends. You may even want to make an account on our new crowdfunding page, [givetoenable.com](https://givetoenable.com)

### Want to Give?

1. Givers can take your Ugift® code that you share with them, and go to [ugiftable.com](https://ugiftable.com).
2. Follow the instructions on the Ugift® page to give.
3. At the end of the process, there will be a confirmation page. Givers will want to print that page and keep for their records.
4. When givers contribute with the Ugift® code, they can also use that code to deduct the amount they gave on their Nebraska income taxes at the end of the year (up to \$10,000 annually -- \$5,000 for married taxpayers filing separately).

### Stay Connected

## Give to Enable is Live!

Our new Give to Enable Crowdfunding page is officially live! You can go to [givetoenable.com](http://givetoenable.com) today and make an account for others to help you reach your goals! You will still need to stay within the \$18,000 annual contribution limits, so keep that in mind as you set a goal. As we approach the end of the year, remember to share with family and friends as well as financial advisors and tax preparers about this new initiative. Giving people the opportunity to help those in need while be able to receive a Nebraska tax deduction is not a secret we want to keep!

### Treasurer's Office Message:

Is it getting chilly where you are? It certainly is here! When the leaves turn color and the temperature drops, we know that the holidays are upon us. As the song goes, it is the most wonderful time of the year! If you are anything like we are, you are knee-deep in holiday shopping. For some of us, the best part of the gift giving experience is going into the stores and handling our purchases. For others, the convenience of on-line shopping trumps all. But we can all agree that checking out <https://www.enablesavings.com/> and [www.givetoenable.com](http://www.givetoenable.com) for the gift that keeps on giving is the smart choice!

The Enable Savings Plan (the "Plan") is sponsored by the State of Nebraska and administered by the Nebraska State Treasurer. The Plan offers a series of investment portfolios within The Nebraska Achieving a Better Life Experience Program **\*An investor should consider the Plan's investment objectives, risks, charges and expenses before investing. The Program Disclosure Statement at [enablesavings.com](http://enablesavings.com), which contains more information, should be read carefully before investing. Investors should consider before investing whether their home state offers any state tax or other benefits that are only available for investments in such state's qualified savings program and should consult their tax advisor, attorney and/or other advisor regarding their specific legal, investment or tax situation. Nebraska state income tax deductions are subject to recapture to the extent previously deducted if funds are not used for Qualified Disability Expenses.**

Except for the Bank Savings and Checking Investment Options, investments in the Enable Savings Plan are not guaranteed or insured by the FDIC or any other government agency and are not deposits or other obligations of any depository institution. Investments are not guaranteed or insured by the State of Nebraska, the Nebraska State Treasurer or the Nebraska Investment Council, and are subject to investment risks, including loss of the principal amount invested. FDIC insurance is provided for the Bank Savings and Checking Investment Options up to the maximum amount set by federal law, currently \$250,000.
