Nebraska College Savings Disclosure

This material is provided for general and educational purposes only, and is not intended to provide legal, tax or investment advice, or for use to avoid penalties that may be imposed under U.S. federal tax laws. Some states, including Nebraska, offer favorable tax treatment to their residents only if they invest in the state's own plan. Investors should consider before investing whether their or their designated beneficiary's home state offers any state tax or other state benefits such as financial aid, scholarship funds, and protection from creditors that are only available for investments in such state's qualified tuition program and should consult their tax advisor, attorney and/or other advisor regarding your specific legal, investment or tax situation.

This material is not an offer to sell or a solicitation of an offer to buy any securities. Any offer to sell shares within a plan may only be made by the Program Disclosure Statement and Participation Agreement relating to the plan.

The college savings plans within the Nebraska College Savings Program are sponsored by the State of Nebraska and administered by the Nebraska State Treasurer, who serves as trustee to each of the four plan options. The four plan options offer a series of investment portfolios within the Nebraska Educational Savings Plan Trust (plan issuer). The four plan options are intended to operate as qualified tuition programs, pursuant to section 529 of the U.S. Internal Revenue Code.

An investor in a college savings plan within the Nebraska College Savings Program should consider the investment objectives, risks, and charges and expenses associated with municipal fund securities before investing. More information about municipal fund securities is available in the issuer's official statement. An official statement may be obtained by going to the website for the plan option or by contacting the State Treasurer's office at 402-471-2455. The official statement should be read carefully before investing.

Participation in a plan within the Nebraska College Savings Program does not guarantee that contributions and the investment earnings, if any, will be adequate to cover future tuition and other higher education expenses or that a beneficiary will be admitted to or permitted to continue to attend an eligible educational institution.

Neither the State of Nebraska, the Nebraska State Treasurer, the Nebraska Investment Council nor the Program Manager shall have any debt or obligation to any contributor, any beneficiary or any other person as a result of the establishment of the plan, nor will these entities assume any risk or liability for mutual funds in which the plan invests.

Except for the Bank Savings Individual Investment Option, investments in the four plans within the Nebraska College Savings Program are not guaranteed or insured by the FDIC, any of the four plan option's investment managers, the State of Nebraska, the Nebraska State Treasurer, the Nebraska Investment Council, the Trust, First National Bank of Omaha, any of their respective affiliates, directors, officers or agents, or any other entity. Contributors to the plans assume all investment risk, including the potential loss of principal and liability for penalties such as those assessed on nonqualified withdrawals. It is possible to lose money by investing in the plans. FDIC Insurance is provided for the Bank Savings Individual Investment Option up to the maximum amount set by federal law, currently \$250,000.
