Sections 84-601 to 84-602.02 Taxpayer Transparency Act (Statespending.nebraska.gov) Sections 77-1401 to 77-1409 Nebraska Achieving a Better Life Experience Trust

VISION:

The vision of the State Treasurer's Office is to provide outstanding customer service to Nebraska taxpayers, Nebraska businesses, and government agencies as they interact with the Treasurer's Office and to operate a cost-efficient, technologically advanced office in managing the State's financial resources.

MISSION AND PRINCIPLES:

Mission

- The prompt receipt and safekeeping of State funds, ensuring State funds are immediately available for investment, and the distribution of those funds by electronic means or warrants lawfully drawn on the State Treasury
- The collection of unclaimed property and its return to its rightful owners
- The operation and promotion of the Nebraska College Savings Program
- The operation of a system for centralizing the receipt and disbursement of child support
- The enhancement and operation of the Statespending.nebraska.gov website
- The operation and promotion of the Nebraska Achieving a Better Life Experience Program

Guiding Principles

- To perform all duties in accordance with State Statutes
- To save Nebraska taxpayers money
- To provide quality customer service to Nebraska taxpayers, businesses, and governmental units
- To make as much State financial information as possible easily accessible online to the public
- To use the latest technology, as it becomes available, to reduce the cost of doing business and to minimize the number of employees needed to perform assigned duties

GOALS:

- 1. To refine and enhance cash management procedures with technology
- 2. To increase the electronic movement of money
- 3. To return record amounts of unclaimed property to rightful owners
- 4. To work with businesses to ensure compliance with Unclaimed Property reporting requirements
- 5. To promote the College Savings Program
- 6. To efficiently operate a system to centralize the receipt and disbursement of child support payments
- 7. To make as much State financial information as possible easily accessible to the public online
- 8. To use the latest technology, as it becomes available, to reduce the cost of doing business and to minimize the number of employees needed to perform assigned duties

Submitted on: 09/13/2018 16:02:26

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

9. To promote the Achieving a Better Life Experience Program

EXECUTIVE SUMMARY. MGMT PROCESSES. AND SERVICE DELIVERY METHODS:

The Treasurer's Office is organized in four operating divisions:

- 1. Treasury Management
- 2. Unclaimed Property
- 3. College Savings Plan/Achieving a Better Life Experience Program
- 4. Child Support Payment Center, State Disbursement Unit

The Treasurer's Office also employs a Deputy State Treasurer and an IT staff who provide management services for all operating divisions.

Treasury Management performs the banking functions for the State of Nebraska. The staff ensures receipts and disbursements are made on a timely basis to maximize interest income.

The Unclaimed Property Division finds the rightful owner(s) or heir(s) of abandoned property to facilitate its return. The staff develops strategies to return money while working with businesses to ensure compliance with reporting requirements.

As Trustee of the Nebraska Educational Savings Plan Trust, the Treasurer, with assistance of the College Savings Plan Division, is in charge of the overall administration of the Nebraska Educational Savings Plan Trust.

As Trustee of the Nebraska Achieving a Better Life Experience Trust, the Treasurer, with assistance of the Achieving a Better Life Experience Division, is in charge of the overall administration of the Nebraska Achieving a Better Life Experience Trust.

As part of a Federal-State partnership, the Nebraska Child Support Payment Center, which is administered through the State Treasurer's Office, is responsible for receipting and identifying child support payments from non-custodial parents, reporting this information to Health and Human Services and disbursing payments to custodial parents, all within 48 hours.

The Territorial Assembly created the Office of the Treasurer of the Territory in March 1855. The Constitution of 1866 and 1875 continued this office. The statutory codification of duties is

- 1. To receive and keep all money of the State not expressly required to be received and kept by some other person
- 2. To disburse the public money upon warrants drawn upon the State Treasury according to law
- 3. To keep a just, true and comprehensive account of all money received and disbursed
- 4. To keep a just account of each fund and each appropriation made by law and warrants drawn against each fund
- 5. To report to the Legislature each regular session the condition of the Treasury
- 6. To supply the Legislature information when required about Treasury issues

Submitted on: 09/13/2018 16:02:26

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

- 7. To record all purchases made by the State Investment Officer
- 8. To hold all securities purchased for trust funds and State agencies in safekeeping
- 9. To receive and hold all unclaimed, abandoned or escheated property
- 10. To locate, whenever possible, the rightful owners of unclaimed property
- 11. To serve on the Board of Canvassers
- 12. To serve on the Nebraska State Records Board
- 13. To serve on the Nebraska Investment Council
- 14. To serve on the Convention Center Facility Financing Board
- 15. To serve on the Sports Arena Financing Board
- 16. To be responsible for the receipt and disbursement of child support payments in Nebraska under an agreement with Health and Human Services
- 17. To serve as Trustee of the Nebraska Educational Savings Plan Trust
- 18. To operate the Statespending.nebraska.gov website and to provide a link to the State contract database
- 19. To serve as Trustee of the Nebraska Achieving a Better Life Experience Trust
- 20. To serve as the Treasurer of the State University and the custodian of all of the funds of the University (with certain statutory exceptions)

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

ISSUE: ABLE PROGRAM MANAGER REQUEST FOR PROPOSAL (RFP)

DESCRIPTION OF REQUEST:

The Treasurer's Office will issue an RFP for ABLE Program Manager services. This will involve legal work involving an outside law firm and will also need to involve an outside consultant.

RESEARCH, ANALYSIS AND JUSTIFICATION:

The last RFP for a program manager was issued on July 20, 2015. Over two calendar years, legal expenses for the preparation, review, issuance of the RFP and review of the responses to the RFP and drafting of a new program manager agreement was around \$65,000. During this time, consultant expenses of around \$44,095 were also paid. Based off the work done and the time frame of the RFP from July 2015, we anticipate spending \$75,000 in legal costs and \$30,000 in consulting costs for the preparation and release of the RFP, review of RFP responses and ultimately, negotiating and signing a Program Manager Agreement

Some of the costs will be paid in the fiscal year ending June 30, 2019, prior to the start of the new biennium. The remaining costs will occur in each year of the biennium. The RFP will have a Program Manager start date of December 18, 2020. For budget planning purposes, we anticipate spending \$10,000 in legal fees and \$5,000 in consulting expenses in the fiscal year ending June 30, 2019, \$45,000 in legal fees and \$5,000 in consulting expenses in the fiscal year ending June 30, 2020 and \$20,000 in legal fees and \$5,000 in consulting expenses in the fiscal year ending June 30, 2021.

IMPACT:

The Nebraska Achieving a Better Life Experience Trust has around \$5,900,000 in assets. The Program Manager is responsible for the investment, administrative, customer service and marketing services. This RFP will be highly technical and will require very specific investment and trust management expertise. Funding for this issue is critical. If funding isn't provided, funds of ABLE savings plan participants could be at risk and the State may be sued for not fulfilling it's fiduciary duties.

PERFORMANCE INDICATORS:

IMPLEMENTATION PLAN:

RFP released on July 1, 2019

Program manager announcement on January 2, 2020

Program manger start date July 1, 2021

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

ISSUE: AS ASSESSMENTS

DESCRIPTION OF REQUEST:

Projected rates for Workers' Compensation assessment, Accounting/fuzioN assessment, Purchasing assessment, HRMS assessment and Employee Assistance Program costs for FY 20 and FY 21 were provided by Administrative Services to state agencies. These rates are set by Administrative Services for each agency, any increase or decrease to these rates is outside the control of the Treasurer's Office.

RESEARCH. ANALYSIS AND JUSTIFICATION:

The assessments were provided by Administrative Services to state agencies. The Treasurer's Office splits the assessment costs between it's operating programs based on the number of employees working in each program.

IMPACT:

Each of the assessments will change from FY 2018-19 to FY 2020 and will remain the same from FY 2020 to FY 2021.

Workers' Compensation will increase \$500 from FY 19 to FY 2020 and will not change from FY 2020 to FY 2021.

Accounting/fuzioN will increase \$20,150 from FY 19 to FY 2020 and will not change from FY 2020 to FY 2021.

Purchasing will more than double, with an increase of \$3,124 from FY 19 to FY 2020 and will not change from FY 2020 to FY 2021.

HRMS will not occur in the FY 2020-21 biennium. The HRMS systems will be under one platform and are included in the accounting/fuzioN assessment. This will result in a HRMS assessment decrease \$2,690 from FY 19 to FY 2020 and will not change from FY 2020 to FY 2021.

The cost per employee in the Employee Assistance Program will increase \$.36 per employee per year from FY 19 to FY 2020 and will not change from FY 2020 to FY 2021.

PERFORMANCE INDICATORS:

There are no specific performance indicators related to this issue.

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

ISSUE: BUILDING RENT EXPENSES

DESCRIPTION OF REQUEST:

Under current lease agreements, there will be changes to rent expense for the State Disbursement Unit and Unclaimed Property

RESEARCH, ANALYSIS AND JUSTIFICATION:

Unclaimed Property rent will increase \$60 per month on February 1, 2020, this increase will also result in an increase for the 2% monthly administrative fee charged by the Department of Administrative Services. The current lease expires on January 31, 2021. For budgeting purposes, no increase is built in for the period February 1, 2021 through June 30, 2021.

State Disbursement Unit rent will increase \$191 per month on October 1, 2019, this increase will also result in an increase for the 2% monthly administrative fee charged by the Department of Administrative Services. The next rent increase won't occur until October 1, 2021. The current lease expires September 20, 2027.

The current lease for business continuity site at Whitehall expires on June 30, 2019. For budgeting purposes, no increase is built in for the fiscal years ending June 30, 2020 and June 30, 2021.

IMPACT:

When leases expire at Unclaimed Property and Whitehall, the Treasurer's Office will work with Department of Administrative Services - Building Division, to renew these leases. However, a substantial increase at either location could result in leaving one (or both) of the current locations.

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

ISSUE: CONTIUE FUNDING FOR LEGAL EXPENSES

DESCRIPTION OF REQUEST:

The Nebraska Educational Savings Trust has over \$5,000,000,000 in assets. College Saving Plans were created under section 529 of the Internal Revenue Service code. There are many tax laws, fiduciary requirements, Securities and Exchange Commission (SEC) regulations, Municipal Securities Rule-making Board (MSRB) regulations and other items that require outside legal expertise.

RESEARCH. ANALYSIS AND JUSTIFICATION:

Spending for legal fees varies from month to month, our budget amount is a best estimate, based on past years. If there are changes to Section 529 of the IRS code, or regulatory changes from the SEC and/or MSRB, and Adopted Disclosure Principles have new requirements, new program disclosures must be prepared.

ISSUE: ELIMINATE FEES FOR CSP OUTSIDE AUDITOR

DESCRIPTION OF REQUEST:

The College Savings Plan has been paying for the annual audit of the State Farm College Savings Plan. Effective August 6, 2018, the current NEST Program Manager became the distributor for the State Farm College Savings Plan. Per their contract, the Program Manager will begin pay for the annual State Farm College Savings Plan audits.

RESEARCH, ANALYSIS AND JUSTIFICATION:

Per their contract, the Program Manager will begin pay for the annual State Farm College Savings Plan audits.

IMPACT:

The audit will still take place, however, it won't be paid by the State. Aside from the College Savings Plan saving \$28,000, there is no impact.

ISSUE: LIFE INSURANCE COSTS

DESCRIPTION OF REQUEST:

Per budget instructions issued by the Budget Division, 'For FY 2019-20 and FY 2020-21, no budgeted amount should be computed as the cost will be covered by existing funds.'

RESEARCH, ANALYSIS AND JUSTIFICATION:

Per budget instructions issued by the Budget Division, 'For FY 2019-20 and FY 2020-21, no budgeted amount should be computed as the cost will be covered by existing funds.'

IMPACT:

The removal of life insurance costs from the Treasurer's budget will save the agency around \$522.00 in each year of the FY 2020-21 biennium, based on the budgeted amount in the agency budget for FY 2019.

ISSUE: REDUCE BANKING FEES

DESCRIPTION OF REQUEST:

The State Disbursement Unit has made changes to the processing of incoming ACH payments to reduce the amount of banking fees paid on a monthly basis. This provides cost savings in e-commerce expenses.

RESEARCH, ANALYSIS AND JUSTIFICATION:

The State Disbursement Unit has made changes to the processing of incoming ACH payments to reduce the amount of banking fees paid on a monthly basis. The savings shown for this issue are the result of directing employers to remit electronic child support payments to an ACH account at a different bank.

IMPACT:

There are savings of \$10,000 in each year of the biennium, and there is no impact on the operations of the State Disbursement Unit

PERFORMANCE INDICATORS:

The success of the reduction in bank fees can be tracked by a decrease in e-commerce expenses.

IMPLEMENTATION PLAN:

The State Disbursement Unit is continuing efforts to reduce monthly banking fees through moving all accounts to one bank. This is an ongoing effort that should significantly reduce expenses.

ISSUE: REDUCE DATA PROCESSING COSTS

DESCRIPTION OF REQUEST:

The Treasurer's Office contracted with a new company for payment processing software. In the fiscal year ended June 30, 2019, there are some one-time fees for software license fees.

RESEARCH, ANALYSIS AND JUSTIFICATION:

The base software license fee, software installation fee and annual license fee will all be paid in the fiscal year ending June 30, 2019. In fiscal years ending June 30, 2020 and June 30, 2021, the only fee will be \$10,200 for the annual license fee.

IMPACT:

There are savings of \$25,000 in each year of the biennium, and there is no impact on the operations of the State Disbursement Unit.

PERFORMANCE INDICATORS:

There are no performance indicators for this issue.

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

ISSUE: REPLACE UNCLAIMED PROPERTY SOFTWARE PROGRAM

DESCRIPTION OF REQUEST:

Unclaimed Property Staff have been struggling with the current process and software functionality. The Unclaimed Property Division is working to modernize and streamline processes through the use of technology to add greater security and efficiency to the primary functions of the office. A major need of the office is to make the process of entering holder reports more efficient. The functionality available within our current software does not allow data submitted to UP by holders to directly migrate into our unclaimed property database.

Currently holders must create a properly formatted file either through the State Treasurer's website or another application that can properly format the data. UP Staff then will have to locate the holder profile in our database, manually add or update new holder information, and add a new report under the holder profile for the current report year. Next the file is submitted through our website, a third party website where we allow files to be submitted, or possibly another form not recommended by UP needs to be located. Once the file has been located, the report can be loaded by staff using a separate import application. This process is too time consuming with the volume of reports received and limited staff to process them. UP worries that without significant changes to this process, holder reports will not be entered in the timeframe prescribed by statute. This issue was noted in a recent Attestation Report filed by the Auditor of Public accounts.

RESEARCH, ANALYSIS AND JUSTIFICATION:

A new unclaimed property software application would allow holder data to migrate directly into the UP database without staff intervention. UP Staff would only be required to review the data and clear the report for claim.

Holder reports will be able to be loaded without staff manipulation of the files.

Updated software would also allow for greater integration with our unclaimed property securities custodian.

Owner addresses can be validated as they are keyed in by Unclaimed Property staff.

New programs have the flexibility to develop reports, mailings, and any necessary customization to suit needs as they arise.

Submitted on: 09/13/2018 16:02:26

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

IMPACT:

New software will allow Unclaimed Property to resolve the audit finding related to the timeliness of loading holder reports. The faster reports are loaded, the sooner owners of unclaimed property can be notified the State is holding their money. With less staff time spent manipulating data, less opportunity for fraud will be available in the system. Greater integration with our securities custodian will allow for better record keeping and faster processing of claims with securities. Addresses verified as they are entered into the system, will significantly reduce the amount of mail returned as undeliverable. This will reduce the amount we spend on postage and staff time to research the bad addresses. Flexibility to develop reports, mailings, and customization will allow unclaimed property to streamline inefficient processes and better communicate with holders and claimants.

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

ISSUE: 2019 JANUARY 1 SALARY ANNUALIZATION

DESCRIPTION OF REQUEST:

The Treasurer's Office is submitting a 0.75% increase in employee salary costs for fiscal year 2020 to annualize 2019 half year salary increases, as directed by the Budget Division.

RESEARCH, ANALYSIS AND JUSTIFICATION:

This is an increase in employee wage and salary costs as directed by the Budget Division.

IMPACT:

The increase to the programs in the Treasurer's Office is \$41,088 in fiscal year 2019.

PERFORMANCE INDICATORS:

There are no specific performance indicators related to this issue.

IMPLEMENTATION PLAN:

Submitted on: 09/13/2018 16:02:26

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

ISSUE: 2019-2021 EMPLOYEE HEALTH INSURANCE

DESCRIPTION OF REQUEST:

The Treasurer's Office is submitting a 3.3% increase in health insurance costs for fiscal year 2019-20 and a 5.2% increase in health insurance costs for fiscal year 2020-21, as directed by the Budget Division. This increase, along with a directed increase in salaries, is out of the control of the Treasurer's Office.

RESEARCH, ANALYSIS AND JUSTIFICATION:

This is an increase in employee health insurance costs as directed by the Budget Division.

IMPACT:

The increase to the programs in the Treasurer's Office is \$16,780 in fiscal year 2019-20 and \$44,050 in fiscal year 2020-21.

PERFORMANCE INDICATORS:

There are no specific performance indicators related to this issue.

IMPLEMENTATION PLAN:

Submitted on: 09/13/2018 16:02:26

GENERAL DESCRIPTION:

The Treasurer's Office is required to submit a modification to the proposed budget which contains an 5% reduction in general funds. This would be extremely difficult to implement, as the Treasurer's Office has reduced it's costs each budget cycle. In fiscal years 2011-13, the Treasurer's Office had budget cuts to operating expenses of \$1,400,000. These cuts continued in FY 2013-14 with another cut to operating expenses of 1.2% and just a 2.1% operating expense increase in FY 2015-16.

RATIONALE:

The required modification for FY 2019-20 is \$50,033 in state general funds. With the elimination of the Long-Term Care Savings Plan, the only other operating program with general funds in the Treasurer's Office is the State Disbursement Unit, which has it's cost split between general and federal funds. State general funds pay for 40% of the SDU, while federal funds cover the other 60%. A loss of \$50,033 in general funds results in a loss of \$75,050 of federal funds. Therefore, the modification for \$50,033 in general funds is a reduction to the SDU budget of \$125,083.

IMPACT:

As discussed above, in the general description portion of the narrative, the SDU has made cuts over many budget cycles. This has left very few discretionary expenses remaining that can be reduced. The SDU is working to further reduce postage and printing costs as much as possible with new electronic options for printing and mailing child support payments and billing statements, and receiving child support payments. If forced to reduce the budget by 5%, the SDU's primary option would be to make reductions to PSL and to cut

positions. This would require the Treasurer's Office to fire two SDU staff members (2 FTE). This would eliminate nearly 10% of the SDU staff. The result could be substantial delays in receiving and distributing child support to the persons entitled to it and could result in an unacceptable decline in customer service.

STATUTORY CHANGE:

IMPLEMENTATION COSTS:

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

FUND: 21180 - TREASURY MANAGEMENT

GENERAL COMMENTS:

The sale of services and expenditures for the Treasury Management program in the Treasury Management fund are the same in FY 2019 as these both are the amount of current appropriation. The amounts for sale of services and expenditures are also the same in FY's 2020 and 2021 for Treasury Management as these both are the requested budget amounts. This is the same for the ABLE program, but the sale of services includes \$60,000 (\$40,000 annual payment from the program manager, \$20,000 annual payment from contracted state). Reimbursement from non-government sources are purchasing card rebates

FUND: 21190 - CONVENTION CENTER SUP

GENERAL COMMENTS:

In the Convention Center Sup fund, the operating transfers are amounts received as certified by the Nebraska Department of Revenue for sales tax revenue collected by retailers and operators an an approved convention meeting center facility. In accordance with Nebraska Revised Statute 13-2610, 70% of this is paid to the city where the convention and meeting center is located and the remaining 30% is transferred to the Nebraska Department of Economic Development. There are currently two qualified convention and meeting center facilities. The CHI Center in Omaha and Pinnacle Bank Arena in Lincoln.

FUND: 21245 - COLLEGE SAVINGS PLAN EXPENSE

GENERAL COMMENTS:

The sale of services in the College Savings Plan Expense fund are the receipt of program management fees. These fees are estimated at \$1,050,000 per year, the estimate is based on the 0.02% fee that the plan receives on what is currently over \$5,000,000,000 in plan assets. The value of the plan assets should increase with greater participation (the result of marketing and outreach efforts), however, a drop in the stock market would decrease the value of the plan assets. The operating transfers out for the College Savings Plan Expense fund are transfers to the College Savings Plan Administrative Fund for that year's appropriation, plus transfers to the Nebraska Investment Council (NIC) for their fees. The past two years, NIC fees have been \$520,809 in FY 17 and \$526,605. The fund analysis has NIC fees of \$530,000 in FY 19, \$535,000 in FY 20 and \$540,000 in FY 21.

FUND: 21290 - MUTUAL FINANCE ASSIST

GENERAL COMMENTS:

The Mutual Finance Assist fund receives transfers from the Nebraska Department of Insurance and the State Treasurer's Office pays the appropriated amount to MFO's. The remaining amount from the Department of Insurance is transferred to the General Fund. The Mutual Finance Act was created by Nebraska Revised Statute Sections 35-1201 through 35-1207.

FUND: 27200 - POLITICAL SUBDIVISION RECAPTURE CASH FUND

GENERAL COMMENTS:

As of June 30 each year, any amount in the Department of Economic Development's Civic and Community Center financing program in excess of \$1,000,000 is transferred to the Political Subdivision Recapture Cash Fund. After such a transfer has been made, the funds are then distributed to Omaha, Lincoln and Ralston for the Sports Arena Financing and Convention Center Financing programs.

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

FUND: 40000 - FEDERAL GENERAL FUND GRANT: 93.563 - CHILD SUPPORT ENFORCEMENT

GENERAL COMMENTS:

The expenditures for the Federal Letter-of-Credit fund, Grant # 93.563 Child Support Enforcement, in FY 2019 match the current base appropriation for fund 40000 to operate the State Disbursement Unit and the amounts for FY's 2020 and 2021 are the requested budget amounts for those years. The Nebraska Department of Health and Human Services is managing the grant and passing the funds through to the State Treasurer's Office to assist with funding the operations of the State Disbursement Unit.

PURPOSE OF GRANT (REQUIRED-FEDERAL ONLY):

The purpose of this grant is to provide for the administration of state child support enforcement.

GRANT CHARACTERISTICS (REQUIRED-FEDERAL ONLY):

This is an formula grant from the Administration of Children and Families. There is state match from the State General Fund. The amount of match is 34%.

USE OF GRANT FUNDS (REQUIRED-FEDERAL ONLY):

This grant provides funds for administration of the Child Support Enforcement Program.

GRANT FUTURE OUTLOOK (REQUIRED-FEDERAL ONLY):

There is no known reduction to funding at this time.

IMPACT OF POTENTIAL REDUCTIONS (REQUIRED-FEDERAL ONLY):

The impact of reductions to grant 93.563 would be a decrease in the service provided. The SDU's budget, including the federal funding, has decreased by over \$440,000 from actual expenses in FY 2010 to the budget request for FY 2021. With the ongoing spending cuts and increased efficiencies at the SDU, it would be difficult to implement forced reductions.

Program: 012 - SALARY-STATE TREASURER

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

PROGRAM DESCRIPTION:

The State Treasurer strives to provide outstanding customer service to Nebraska taxpayers, Nebraska businesses and government agencies as they interact with the State Treasurer's Office and to operate a cost-efficient, technologically advanced office in managing the State's financial resources.

PROGRAM OBJECTIVES:

To provide for the prompt receipt and safekeeping of State funds; to distribute funds by electronic means or warrants lawfully drawn upon the State Treasury; to return unclaimed property to its rightful owners; to operate the Nebraska College Savings Program and the Achieving Better Life Experience (ABLE) Savings Program; to provide a centralized system to receive and disburse child support; and to operate and enhance the Statespending.nebraska.gov website.

PERFORMANCE MEASURES:

Please refer to the performance measures for the State Disbursement Unit, Treasury Management, Educational Savings Plan Trust, Unclaimed Property, and ABLE Trust.

REQUEST PRIORITIES AND SIGNIFICANT ISSUES:

The position of State Treasurer is created by the Constitution of the State of Nebraska, and the Treasurer's salary is set by the Legislature.

Program: 024 - STATE DISBURSEMENT UNIT

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

PROGRAM DESCRIPTION:

The Nebraska Child Support Payment Center/State Disbursement Unit (SDU) is charged with the responsibility to receipt and identify incoming payments from non-custodial parents, report this information to Health and Human Services, disburse payments to custodial parents, provide customer service, recover bank return items and over payments, and develop and present outreach materials to inform customers about program requirements and customer responsibilities.

PROGRAM OBJECTIVES:

Objectives

- Process and transmit at least 99.9 percent of all receipt information, other than those which require research, to the CHARTS (Children Have A Right To Support) software program the same day the information is received.
- Disburse support money by Automated Clearing House (ACH), Electronic Payment Card or check as specified by payees within two business days after receipt.
- Answer customer calls before the fourth ring with no caller on hold for more than one minute.
- Develop and conduct ongoing efforts to encourage customers to submit and receive payments electronically.

Strategies used to meet objectives and improve workplace efficiency include the following:

- Revision of Statute 43-3342.03 enables the SDU to require employers with more than 50 employees to remit child support payments electronically rather than by paper check. This eliminates manual data entry, reduces errors, reduces the amount of time to complete data entry, and reduces use of resources to record and store payment data.
- Revisions to Title 466 of the Nebraska Administrative Code (NAC) §§ 11-004, 11-004.01 and 11-004.02 enable the SDU to disburse payments electronically rather than sending paper warrants. This reduces costs including lower postage and printing costs, fewer bank charges, and fewer lost or forged payments. It also reduces the costs of carrying outstanding payments and requires fewer resources to clear warrants and archive paper images.
- Revisions to monthly billing statements put into effect in 2011 reduce the number of monthly statements printed and mailed and increase the awareness of electronic statements. Paper billing statements no longer are mailed to individuals whose child support payments are withheld from their income or their unemployment or are being received by another state. Paper statements continue to be mailed to individuals who make payments on their own or who request paper statements.
- Additional revisions to monthly billing statements eliminate paper statements on non-IV-D cases unless paper is requested. Reduced returned mailed statements by
 converting to web only unless a new address has been verified.
- Additional revisions eliminate paper statements unless a paper coupon is being used by the payer or the payer requests a paper statement be mailed. If a statement is returned by the Post Office, the mailing is discontinued, and unless an electronic delivery method is set up, the statement becomes web only.

Actions to meet program objectives and improve efficiency include the following:

Submitted on: 09/13/2018 16:02:26

Program: 024 - STATE DISBURSEMENT UNIT

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

- Added new delivery methods for payers of text message and QR codes in May 2017.
- Awarded Online-Mobile-Kiosk Bill Payment Concentrator RFP to U.S. Bank, reducing costs by 50 percent.
- Implemented VantagePoint, allowing electronic corrections on payments and enabling an employer to use its bank online bill payment method. This increases the number of paper payments being converted to electronic payments and decreases the chances of misapplying payments.
- Implemented payment notifications to inform custodial parents the evening a payment is disbursed. This effort is expected to reduce phone calls to customer service and improve service.
- Established partnerships with national entities to convert cash payments to electronic payments and to reduce the number of money order and check payments. Partnerships include the following:

PayNearMe, adding 30,000 payment locations nationwide

MoneyGram, adding 40,000 payment locations nationwide

Western Union, adding 51,000 payment locations nationwide

U.S. Payments PaySite Kiosk, adding 400 kiosks in 30 states as payment options

U.S. Bank and CityBase, adding self-serve kiosks in Omaha and Lincoln. As a result, about 1,300 payments have been converted from cash or check to electronic payments and the number of money order and check payments has been reduced.

Value Payment Systems and PayPal, introducing PayPal as a new payment option

PERFORMANCE MEASURES:

In coordination with Health and Human Services, the SDU reports and monitors performance measures and evaluates performance based on standards established by the program.

Performance measures are monitored through reports on accuracy, production levels, efficiencies, balancing and reconciling. Additional reports are received by HHS that determine the percentages of work completed on the same day; reports also point out discrepancies, rejects, unidentified items and misapplied items. The Customer Service Department prepares reports that measure the length of time a caller is on hold, the number of dropped calls, the total number of calls, the length of time spent on calls and the performance of each representative.

Performance measures are monitored by reports that provide the following:

- Data Entry Workflow
- Operator Statistics
- Error Tracking Lockbox
- Error Tracking Operator

- BRI/Overpayment Recovery
- Website Reports

Efficiencies

The attached PDF files show statistics for a variety of measures, including billing statement efficiencies (**BILLING.pdf**). In the last two years, in particular, the SDU has reduced paper bill volume from 38,444 in June 2016 to 3,608 in June 2018. Other attached PDF files show total number of payments and dollar amounts (**CHARTS.pdf**), the percentage of payments not identified and sent to CHARTS on the day received (**COMPLIANCE.pdf**), the number and dollar amounts by different payment methods (**DISBURSEMENTS.pdf**), and the number of payments and types of notifications (**NOTIFICATION.pdf**).

REQUEST PRIORITIES AND SIGNIFICANT ISSUES:

The top priority is to continue using technology to improve core business-related processes as follows:

Submitted on: 09/13/2018 16:02:26

Program: 024 - STATE DISBURSEMENT UNIT

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

- Improve the 82 percent rate for payments received electronically by continuing to work with employers both those with more than 50 employees, which by state statute are required to remit electronically, and smaller companies that, while not required to remit electronically, will save money by doing so. Focus attention on individuals who remit payments by paper to increase awareness of the 121,000 locations where secure electronic payments can be made. Add more electronic payment methods and encourage use of the mobile applications available from individuals' own financial institutions.
- Improve the 98 percent rate for payments disbursed electronically by reducing the number of refunds and redirected payments, which are required to be disbursed by paper. This can be accomplished by determining if some payments can be made electronically. The office is working with HHS to reduce refunds from employer payments by identifying income withholding orders to be terminated. Recurring redirected payments are being recognized as an unwarranted and preventable expense; work is being done to eliminate and prevent redirected payments and/or convert these payments to electronic means.
- Improve billing methods to increase the number of monthly statements delivered, but reduce costs by delivering electronically. Work is being done to obtain email addresses and cell phone numbers to enhance electronic billing efforts. Text message and QR code billing have been implemented, but can be enhanced by allowing for text message payment reminders and by increasing the number of electronic billing statement recipients, now nearing 22,000 non-custodial parents.

Other priority areas include the following: partial offsets for recovery, improved recovery procedures developed jointly with HHS to enhance both offices' recovery capabilities, use of collection fee fund to seek legal action on some debt items, continued reconciliation of bank accounts and possible automation for certain balancing processes, creation of web portal for recoveries and set recurring recovery payments and enhanced electronic re-presentment process for debt recovery.

The SDU has eliminated dependence on its long-time software vendor, which had become an unbearable cost with no improvements or maintenance completed. The SDU is implementing a paper payment processing solution at a cost substantially less than the previous vendor and will gain greater efficiencies and cost savings. The IT staff will provide in-house programming to replace the previous vendor. The majority of enhancements are custom programming unique to SDU requirements.

The payment system is getting near to being upgraded to Windows 10 compatibility, and the number of servers has been reduced by implementing a cloud server for the call center.

Program Narrative Report Agency: 012 - STATE TREASURER

Program: 117 - MUTUAL FIN ASSISTANCE

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

PROGRAM DESCRIPTION:

The Mutual Finance Assistance Program distributes aid to mutual finance organizations as directed by Statutes 35-1201 and 35-1207.

PROGRAM OBJECTIVES:

The objective of the Mutual Finance Assistance Program is to provide timely and accurate payments by distributing aid in two equal payments on or before November 1 and May 1 of each year.

PERFORMANCE MEASURES:

Treasury Management reviews MFO applications for proper documentation and calculations. Performance of this program is measured by monitoring distributions to ensure they are timely and accurate.

REQUEST PRIORITIES AND SIGNIFICANT ISSUES:

There are no specific priorities or issues for this program.

Program Narrative Report Agency: 012 - STATE TREASURER

Program: 475 - ABLE SAVINGS PROGRAM

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

PROGRAM DESCRIPTION:

The Nebraska ABLE Savings Program, called the Enable Savings Plan, provides a simple and flexible 529A Savings Plan for Nebraska residents and citizens outside of the state, as directed by Statutes 77-1401 to 77-1409 and IRS Code Section 529A. In December 2014, the Achieving a Better Life Experience (ABLE) Act was signed into law authorizing individuals with disabilities to open tax-exempt savings accounts to save for disability-related expenses without affecting eligibility for resource-based benefits.

The Act permits an individual with disabilities to save more than a total of \$2,000 in assets in his or her name in a qualified ABLE account. An account owner can save up to \$15,000 annually—including contributions from others—and \$100,000 overall without SSI benefits being affected. The \$100,000 limit doesn't affect the account owner's Medicaid eligibility. Total contributions cannot exceed \$400,000; however, the total account balance—including value of contributions plus earnings—can continue to grow beyond that amount.

PROGRAM OBJECTIVES:

The objective of the Enable Savings Plan is to administer, market and maintain an efficient and effective ABLE program for all Nebraskans, while complying with State and Federal regulations. The Treasurer's Office will continue to work closely with the Program Manager to administer the Enable Savings Plan. As Nebraskans learn about the benefits of a 529A plan, the goal will be to educate eligible individuals on the advantages of the Enable Savings Plan. To accomplish this goal, the Enable team has developed marketing efforts and an outreach plan for Nebraskans as well as potential account owners nationwide.

PERFORMANCE MEASURES:

In coordination with the Program Manager, the Treasurer's Office will maintain the integrity of the Savings Plan by improving access to the Enable Savings Plan. The Treasurer's Office will monitor marketing and disclosure materials so they accurately inform investors and will evaluate investment performance to the appropriate standards.

The **Enable Savings Plan** launched June 30, 2016.

FY Year Assets Accounts 6/30/17 \$2.64 million 6/30/18 \$5.26 million 1,005

In addition, the Treasurer's Office contracted with the State of Alabama making the Enable Savings Plan for individuals with disabilities available to Alabama residents.

Submitted on: 09/13/2018 16:02:26

Program Narrative Report Agency: 012 - STATE TREASURER

Program: 475 - ABLE SAVINGS PROGRAM

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

The **Enable Savings Plan Alabama** launched February 26, 2017.

FY Year	Assets	Accounts
6/30/17	\$89,430	40
6/30/18	\$362,663	113

Inputs: The Enable Savings Plan uses fees received from the Program Manager, beginning November 2017, together with appropriated funds from the Treasury Management Cash Fund to administer the Plan. The Treasurer's Office has contracted with the State of Alabama to offer Enable Savings Plan Alabama to Alabama residents. The fees received from the Alabama program provide another source of funds for the Nebraska ABLE program. The Treasurer's Office is in contact with another state that may contract with Nebraska to operate an ABLE Savings Plan; this may provide another source of fees received by the ABLE Program. The Treasurer's Office is open to discussions with additional states as opportunities may arise.

Outputs: The Enable Savings Plan will provide residents of Nebraska, as well as residents of other states, with educational materials about the Nebraska 529A program. Materials include an enrollment kit that provides potential account owners with what they need to set up accounts. Materials also include maintenance forms for account owners, such as withdrawal forms and change of beneficiary forms. As this is a relatively new program, and Nebraska is working with another state to potentially contract with for the operation of the ABLE Savings Program, advertising costs will be high early in the life of this program.

Efficiency: The Savings Plan will incur costs for materials to educate residents about the Enable Savings Plan. The Enable Savings Plan will also incur costs to attend outreach events to market to and inform account owners.

REQUEST PRIORITIES AND SIGNIFICANT ISSUES:

The Enable Savings Plan is in communication with another state to provide its residents with the Enable Savings Plan. Contract negotiations and legal disclosures will require outside legal Counsel review, incurring legal expenses. The Plan also intends to use an outside consultant to assist with RFI and/or RFP requests from a potential partnering state. The Enable Savings Plan contract term is set to expire June 2021. Contract negotiations, contract expirations and possible requests for proposals (RFPs) will require extensive outside legal Counsel review, incurring legal expenses and consultant expenses.

Program: 503 - TREASURY MANAGEMENT

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

PROGRAM DESCRIPTION:

Treasury Management is responsible for the Treasurer's core constitutional functions: receipting and disbursing State funds. Payments made to State agencies, whether by check, cash, credit card, bank transfer, wire, ACH debit or ACH credit, flow through State Treasury-run bank accounts and are receipted in by State Agencies and posted by TM.

Constitutional responsibilities include managing and reconciling all State bank accounts, reconciling incoming and outgoing Automated Clearing House (ACH) payments, paying State warrants and posting State agency receipts to the accounting system. TM sets cash position daily to ensure payment obligations are covered and to maximize money available to invest by the Nebraska Investment Council. This helps increase the interest earned by the State of Nebraska.

TM staff issues banking service requests for proposals (RFPs) to reduce banking fees, increase program rebates paid to State agencies, consolidate services, streamline services and promote efficiency in State government.

TM also assists State agencies, vendors and banks with questions on State payments and other banking services; assists agencies with the development of e-commerce options when accepting payments from constituents; manages statewide credit card payment industry data security annual compliance; completes statutory transfers; and manages the distribution of aid payments to political subdivisions.

TM provides support for State agencies on banking rules changes and services. TM staff members work with contractors to educate cities, counties, school districts, public power districts and other political subdivisions on their ability to participate in State Treasury contracts. The combined volume under these State Treasury contracts offers lower costs, additional services and efficient processes to all participants.

PROGRAM OBJECTIVES:

The main objectives of TM are to

- Continually improve cash management processes and procedures
- Increase the State's electronic disbursement of money
- Increase the dollar amount of receipts paid to the State electronically
- Implement procedures to increase the use of image technology for depositing State funds and reconciling State warrants
- Increase data security of State financial transactions and confidential personal/banking information
- Prepare legislative transfers and to distribute State aid payments
- · Work with contractors to provide State agencies, cities, counties and other political subdivisions information regarding banking service contracts

Goals and action plans to support the objectives follow:

Goal 1 - Continually improve cash management processes and procedures.

Program: 503 - TREASURY MANAGEMENT

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

Objective - Maximize the amount of money available for investment daily by using industry standard advances in ACH transactions, check processing and online bank contracts and processes.

Action Plan - TM staff uses electronic bank technology, which allows for the direct presentation of checks for deposit to three large banks in the State, allowing for immediate availability or next-day availability of all deposits. TM will continue to use new banking technologies as they become available to create efficiency and reduce fees.

Goal 2 - Increase the State's electronic disbursement of money.

Objective - Continue to increase electronic transactions each fiscal year.

Action Plan - TM staff will continue to work with State agencies to increase the number of vendor payments and consumer payments made electronically by ACH, stored value card or purchasing card. Staff continues to work with agency personnel and vendors regarding the benefits and cost savings of ACH payments.

Goal 3 - Increase the dollar amount of receipts paid to the State electronically.

Objective - Increase funds paid to the State electronically to reduce the number of checks processed by the Treasurer's Office and the amount of fees charged by depository financial institutions.

Action Plan - TM staff continues to work with State agencies to develop expanded ACH or Credit Card acceptance programs for payments due to State agencies by vendors or individuals. Under State Treasurer banking services contracts, costs were lowered for these services and expanded services were made available to State agencies. Both the ACH Services contract and the Credit Card Services contract offer agencies the ability to accept these transactions by qualified service providers who are knowledgeable about banking and regulatory rules revolving around processing these transactions.

Goal 4 - Use of image technology for depositing State funds and reconciling State warrants.

Objective - Use of images in processing the warrant clearing file.

Action Plan - Electronic image or substitute checks are presented to the State for payment of State Treasury warrants. The images have the same legal equivalency as State warrants.

TM uses cash management software to deposit funds electronically at three of the State's main depository banks. Using electronic cash letters saves on courier fees as well as check processing fees. It also allows for more immediate availability or next-day availability of all deposits and faster clearing times.

Goal 5 - Increase data security of financial transactions and confidential personal/banking information.

Objective - Continue to work with State agencies to ensure that constituent and State bank data is secure.

Action Plan - TM will continue to coordinate Payment Card Industry Data Security Compliance (PCI DSS) with the Office of the CIO. TM staff will work with State agencies to reduce transaction risk related to Credit Card and ACH transaction processing. TM implemented secure emails to treasury managers to send sensitive information securely.

Goal 6 - Prepare legislative transfers and calculate State aid payments.

Objective - Each legislative session designates transfers to be prepared by the State Treasurer as well as updates to previous legislation.

Action Plan - TM staff creates and sends a memo to State agency financial contacts requesting coding for legislative transfers affecting their agencies. TM staff also follows the Legislature as bills are introduced. Using a summary of each bill introduced, staff members determine which bills to track. Relevant passed bills are printed, marked and added to the appropriate fiscal year schedule of transfers. The schedule is shared with AS-Budget for review of completeness as well as getting a schedule from AS-Budget of Budget

Program: 503 - TREASURY MANAGEMENT

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

Division-directed transfers. TM staff contacts agencies that have not responded to obtain information to complete the transfers.

Each year TM staff is responsible for working with State agencies to prepare and pay State aid payments. For most payments, State agencies calculate the amounts of the payments. TM staff is responsible for preparing the necessary accounting entry and updating the Treasurer's website. All State aid payments are paid to political subdivisions electronically.

Goal 7 - Educate State agencies, cities, counties and other political subdivisions regarding banking service contracts and updates on banking regulations or rules.

Objective - Help educate State agencies, cities, counties and other political subdivisions regarding banking service contracts, PCI DDS compliance issues and updates on banking regulations or rules.

Action Plan - TM staff will work with contractors to educate State agencies, cities and counties and other political subdivisions on opportunities to participate in Treasury contracts. TM will provide payment compliance support and training to agencies regarding banking regulations, requirements, changes and procedures.

PERFORMANCE MEASURES:

TM staff will continue to incorporate emerging bank processes to offer efficient and improved cash management processes and reduce banking fees.

Staff annually reviews the number of electronic transactions, the number of checks processed and the number of warrants paid. Receiving images in place of paper warrants allows less handling of warrants manually.

Below are performance measures for each of the seven program goals. Attached PDF files provide statistics.

Goal 1 - Continually improve cash management processes and procedures.

TM continues to use the ACH network to help collect bad debt items for State agencies. By using this technology, TM was able to collect on insufficient fund returned checks (NSF) with no interaction from the participating State agency staff. Agencies are not charged by the Treasurer's Office for this service.

TM continues to offer the represented check program to agencies.

Please see the attached GOAL 1.pdf for statistics. This represents agencies that participate in the program, along with the number of checks that were collected when redeposited.

Goals 2 & 3 - Increase the State's electronic disbursement of money and increase the dollar amount of receipts paid to the State electronically.

The Treasurer's Office ACH Services contract allows State agencies to receive ACH payments through a secure contractor-operated web portal. In addition to using the contractor-operated web portal for re-presentment of NSF checks, agencies may work with TM staff to initiate debit transactions to consumer or business accounts.

In February 2018, the State Treasurer and Administrative Services Director sent a reminder to all agencies regarding the joint mandate to increase the use of electronic payments to pay vendors. The mandate focuses on automating payments in excess of \$25,000 and vendors receiving multiple payments a year. Under the negotiated State Treasurer ACH

Program: 503 - TREASURY MANAGEMENT

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

Services Contract, which went into effect August 31, 2014, the cost of paying a vendor by ACH dropped from \$0.014 per transaction to \$0.0085 and a cost savings to the State of about \$.72 per ACH payment issued instead of paying with a Treasury warrant. TM staff is working with agencies to pay vendors receiving multiple payments a year by ACH or purchasing card.

The State continues to email payment addenda to vendors or individuals receiving ACH payments from the State of Nebraska. This has allowed for more timely processing and more accurate vendor posting of State payments.

TM staff annually reviews the number of electronic transactions, the number of checks processed and the number of warrants paid. From fiscal year 2002-2003 through fiscal year 2015-2016, the number of electronic transactions has increased every year. Increases in electronic transactions have helped reduce banking fees and check float and made funds available sooner for investment by the Nebraska Investment Council. TM staff works with State agencies to use efficient ways to receive and process payments at the lowest cost possible and improve cash flow. Under the State Treasurer ACH and Credit Card contract vendor-operated payment portals, vendors never hold State funds, thus allowing agencies to maximize interest earnings with no risk. One additional political subdivision participates under the State Treasury ACH Services contract.

Elavon continues to provide credit and debit card processing services for the State of Nebraska, Universities, and State Colleges. This contract is in its third year and runs through June 30, 2020, with the option of two 1-year renewals. The contract also allows for the outsourcing of credit card acceptance to a secure vendor-operated payment portal website. The outsourcing of credit card processing allows agencies to reduce or eliminate the risk of credit card processing should a data security compromise occur.

TM staff continues to work with State agencies to expand the use of the prepaid stored value card program and traditional direct deposit. Due to the increase in ACH payments to consumer bank accounts or deposits made to prepaid cards, bank fees for clearing and processing State warrants are lower because of the decrease of State warrants issued. Also if State warrants are reduced, then the number of stop payments, duplicate warrants and forgery claims also are reduced. Currently the payroll programs use a MasterCard-branded card and all other programs use a VISA-branded card. The Treasurer's Office continues to work with current State programs using stored value cards (prepaid MasterCard for the payroll programs and VISA-branded debit cards for the other programs) to expand the use of the prepaid cards to further reduce consumer warrant payments. This is the second year of the contract that offers stored value cards at no cost to the State and at a minimal cost to the cardholder.

Prepaid branded debit cards offer the opportunity for consumers to access funds nationally and internationally via ATM, Point of Sale, Internet Transactions, over-the-phone and face-to-face debit and credit card transactions. Staff also worked with the prepaid card vendor and State agencies to prepare for regulatory changes affecting cardholders and program services in 2012 because of the Durbin Amendment to the Dodd–Frank Wall Street Reform and Consumer Protection Act signed by President Obama on July 21, 2010. The Act implemented financial regulatory reform. Staff works with the current vendor to comply with federal law regarding compulsory use of electronic fund transfers. The employer also must allow an employee one free withdrawal per pay period for an amount up to and including the total amount of the employee's net wages. This law became effective January 1, 2015. TM and the prepaid card vendor continue to monitor new regulatory changes, such as the Consumer Financial Protection Bureau's Prepaid Account Rule. This rule requires clients to provide two separate disclosures to recipients before enrollment. These new "Pre-Acquisition Disclosures" include a short form and long form disclosure. All provisions of the Prepaid Rule will become effective April 1, 2019.

By implementing more programs that disburse payments to individuals or State vendors electronically, the State will reduce bank service fees charged for processing and clearing State warrants and reduce State personnel time working on forgery claims, risk management expired warrant claims, duplicate warrants and stop payment requests.

The estimated savings does not address staff time managing exception items, stop payments, forgery claims or other issues related to warrant processing.

The 2011 State Treasury/Administrative Services – Accounting Division purchasing card contract offers an industry competitive rebate, as will the new contract. Both contracts require no minimum per card spend, no minimum average transaction requirements and no cost for card issuance. This contract will expire at the end of 2018, but a request for

Program: 503 - TREASURY MANAGEMENT

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

proposals for statewide Purchasing Card Services in 2018 are in the final stages of selecting a vendor, with implementation as early as January 2019. The RFP was a joint effort of the Department of Administrative Services – Accounting Division, the University system, Department of Transportation and the Treasurer's Office. In April 2017, TM, along with the Department of Transportation and the University of Nebraska, contracted with a vendor for the Fleet Card program. The contract includes rebates for all participants. About 60 State agencies and political subdivisions are using services under this contract including schools, power district, police departments, cities, counties, sheriff's departments and community colleges. The biggest entities using services include Department of Roads, TSB Pool, State Patrol, Game & Parks Commission, the University of Nebraska, and the Omaha Public Power District.

Statistical information for electronic disbursement (ACH), Credit and debit card processing, Stored Value Card, Purchasing Card, Fleet Card Program transactions are listed in the attached **GOALS 2&3.pdf**, along with the number of warrants presented for payment and checks processed by TM staff.

Goal 4 - Implement procedures to increase use of secure image technology for depositing State funds and reconciling State warrants.

In the past TM staff worked with the Nebraska Lottery, the Public Service Commission, the Department of Environmental Quality, Racing Commission, and Brand Committee to implement a remote deposit capture machine that allows these agencies to deposit checks electronically to banks. The remote deposit capture process provides greater flexibility when State agency staff make deposits, avoids hiring a courier and reduces money-in-transit safety concerns regarding State deposits.

By using remote deposit capture at the agency level, agencies with smaller volumes of checks that will not affect the State's deposit availability can reduce or eliminate courier expense and reduce money-in-transit risk.

In 2014 TM updated the Treasurer's Office check processing software. This allows checks processed to be sent to three large banks electronically via secure technology. The update also allows multiple staff members in TM to work on deposits from their desktops. Recent equipment updates have reduced maintenance costs.

Goal 5 - Increase security of State financial transactions and confidential personal/banking information.

The Treasurer's Office, in collaboration with the State Security Officer from the Office of the Chief Information Officer, the State Contract Merchant Bank and State agencies, has reached annual Payment Card Industry Data Security Standards (PCI DSS) compliance. All agencies reporting to the Treasurer's Office/Office of the CIO reached compliance on time.

The PCI DSS standards are broad, common-sense measures that protect customers who use credit cards from becoming victims of identity theft. These requirements apply to all banks, merchants and service providers that store, process or transmit cardholder data. The requirements placed on merchants are determined by transaction/dollar amount processed. The State is a Level 2 merchant, on a 1 to 4 scale, with Level 1 being the highest.

The Treasurer's Office expanded the use of the Universal Payment Identification (UPIC) codes. These codes are used when receiving ACH payments. The codes allow the receiving entity to mask its "true" bank instructions offering a more secure way to receive payments electronically. By expanding this program to more agencies that receive ACH transaction for payment, the Treasurer's Office has continued to protect the State Treasury bank accounts from fraud and ensure that State bank transactions are secure. UPIC codes also allow the State Treasurer's Office to block wires and unauthorized ACH debit transactions.

Please see the attached GOAL 5.pdf for statistics.

The Treasurer's Office continues the ACH audit program to monitor transaction security related to ACH transactions originated by State agencies. Questionnaires were distributed to all agencies originating ACH transactions. Many agencies that originate ACH transactions are not involved in credit card processing so they had not yet been affected by an

Program: 503 - TREASURY MANAGEMENT

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

audit program focused on sensitive financial data (i.e., account number and routing numbers, Social Security numbers and other identifying personal information). The Treasurer's Office ACH audit focuses on 1) physical security to protect against theft, tampering and damage; 2) personnel and access controls to protect against unauthorized access and use; 3) network/data security to ensure secure capture, storage and distribution; and 4) regular monitoring and testing of networks to prevent an intrusion or breach of data.

Goal 6 - Prepare legislative transfers and calculate State aid payments.

Legislative transfers:

Statistics are listed in the attached GOAL 6.pdf.

TM works with agencies to make transfers according to State Statutes.

Goal 7: Educate State agencies, cities, counties and other political subdivisions regarding banking service contracts and updates on banking regulation or rules and assist in educating agencies on Payment Card Industry Data Security Standards (PCI DSS).

TM staff will work with contractors, agencies, cities, counties, and other political subdivisions on opportunities to participate in State Treasury contracts. Staff will provide payment compliance support and updates on banking regulations and procedures.

TM managers and the State Security Officer from the OCIO have been responsible for coordinating annual PCI DSS requirements. The card associations have programs in place that require the annual compliance of each merchant accepting credit cards. They have begun hosting PCI DSS meetings to educate agencies on updates regarding data security and provide guidance on how to address questions to complete the proper Self-Assessment Questionnaire for their State agencies. By following the requirements, agencies will reduce credit card payment acceptance risk.

TM budget narrative supplemental GOAL 6.pdf

TM budget narrative supplemental GOAL 5.pdf

REQUEST PRIORITIES AND SIGNIFICANT ISSUES:

Request for Proposals (RFPs)

The Treasurer' Office issued RFPs and entered into new contracts for the Individual Liability Travel Card Services and Automated Teller Machines. State Treasurer's Office contracts benefit State agencies and other governmental entities by expanding services, consolidating volume and reducing fees. The issuance, contract negotiation, and implementation of banking RFPs is labor intensive because of multiple State agencies using services under State banking contracts and the complexity of services required by State agencies. Even once implementation has occurred, TM staff will continue to work with State agencies to develop solutions under recently completed contracts and those awarded in the coming years.

State Statute Updates

TM staff track new bills in the Legislature that could affect the operation or duties of the office. As new legislation is proposed and introduced, the staff works with agencies to

Program: 503 - TREASURY MANAGEMENT

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

ensure legislative changes are followed.

Credit Card and ACH Data Security

TM staff and the State Security office from the Office of the CIO have been responsible for coordinating annual credit card data security requirements. The card associations have programs in place that require the annual compliance of each merchant accepting credit cards. Provision will need to be made for the cost of complying with new PCI compliance requirements.

TM staff will continue to work with the State Security Officer to implement a State ACH security standard for State agencies processing ACH payments and maintaining consumer or vendor bank information.

TM staff will work with State agency personnel to examine and reduce payment acceptance risk and make sure that compliance to banking rules and regulations is met.

Disaster Recovery

Treasury staff will dedicate personnel resources to test the Treasury disaster plan at the disaster recovery site. TM staff keeps disaster recovery procedures updated. During a disaster, laptops issued to key TM staff can be used to set cash position and move funds as needed.

Program: 505 - EDUCATIONAL SAVINGS PLAN

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

PROGRAM DESCRIPTION:

The Nebraska Educational Savings Trust, called NEST, provides a simple, affordable and flexible 529 college savings program for Nebraska residents and citizens outside the state, as directed by Statutes 85-1801 to 85-1814 and IRS Code Section 529.

PROGRAM OBJECTIVES:

The objective of the Educational Savings Trust is to administer, market and maintain an efficient and effective college savings plan for all Nebraskans, while complying with State and Federal regulations. The Treasurer's Office will continue to work closely with the Program Manager to administer NEST. As of June 30, 2018, the participation rate of children under age 18 in Nebraska was 16.59 percent. As the Treasurer's Office informs Nebraskans about the benefits of a 529 plan, the goal is to continue to increase this percentage. To accomplish this goal, the NEST 529 College Savings Program will need to increase its marketing and outreach efforts across Nebraska.

PERFORMANCE MEASURES:

In coordination with the Program Manager, the Treasurer's Office will maintain the integrity of the Trust by continuing to improve access to the NEST 529 College Savings Plans by lowering the overall cost to the plans in the Trust and through online enrollment, with an overall goal of increasing participation in the program. The Treasurer's Office will monitor marketing and disclosure materials so they accurately inform investors and will evaluate investment performance to the appropriate standards that the market has set for college savings plans.

NEST 529 GROWTH

Over the last five fiscal years, the number of NEST 529 accounts and the value of those accounts have increased each year:

FY Year	Assets	Accounts
6/30/18	\$5.00 billion	260,619
6/30/17	\$4.56 billion	252,424
6/30/16	\$4.04 billion	251,712
6/30/15	\$3.90 billion	235,012
6/30/14	\$3.68 billion	220,700

Inputs: The Trust will continue to use fees received from the Program Manager to administer the NEST 529 College Savings Program.

Outputs: The Trust will continue to provide residents of Nebraska, as well as out-of-state residents, with educational materials about the Nebraska 529 program. Materials include an enrollment kit, giving potential account owners information to set up accounts. Materials also include maintenance forms for account owners, such as withdrawal forms and

Program: 505 - EDUCATIONAL SAVINGS PLAN

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

change of beneficiary forms.

Efficiency: The Trust will continue to incur costs for materials to educate residents about the NEST 529 College Savings Program. The Trust will also incur costs for outreach events, again to market to and inform investors and potential investors.

Outcome/Results: The goal is to increase plan participation. By continuing marketing efforts, outreach events and plan maintenance, the Trust should be able to increase the number of children in Nebraska who have 529 plans. The Trust also benefits from increasing the number of out-of-state participants. As the overall assets of the plan increase, the program continues to receive national recognition.

Quality: The NEST 529 College Savings Program has been highly rated throughout its existence. As the program continues to work to lower fees, enhance investments, and provide new operational features, consumers will achieve even greater results in their 529 plans. The program also will continue to monitor investment options so account owners and plan beneficiaries receive the best possible return for their investments.

REQUEST PRIORITIES AND SIGNIFICANT ISSUES:

The NEST Direct Plan, NEST Advisor Plan, TD Ameritrade 529 College Savings Plan, and State Farm 529 Savings Plan contract terms are set to expire December 2020. Contract negotiations, contract expirations, and possible requests for proposals (RFPs) will require extensive outside legal Counsel review, incurring legal expenses and consultant expenses.

Program: 512 - UNCLAIMED PROPERTY

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

PROGRAM DESCRIPTION:

The Unclaimed Property Division works to increase awareness of unclaimed property in the business community and the public in an effort to receive unclaimed property from companies operating across the State and to return unclaimed funds to rightful owners in an efficient manner. In recent years, UP has paid record amounts of unclaimed property to claimants.

PROGRAM OBJECTIVES:

The objectives of the Unclaimed Property Division are to increase both the amount of unclaimed property being received from businesses and the amount of unclaimed property being returned to rightful owners. To meet the objectives, the Treasurer's Office must continue to increase visibility of UP so that more claims are filed and increase awareness of unclaimed property laws affecting businesses.

To raise awareness among consumers and to increase business reporting, the UP Division adheres to the following practices:

- 1. Staff members set up booths at outreach events like county fairs, the State Fair, and Husker Harvest Days. These events promote visibility and increase the number of claims by reaching out directly to Nebraskans. The division also, by law, publishes an annual report in daily newspapers in Nebraska listing new properties received during the previous year.
- 2. To increase business reporting, UP continues to identify and contact businesses that are not reporting unclaimed property. The Treasurer's Office uses an audit program to significantly increase the amount of unclaimed property received by the Treasurer's Office. UP uses technology to streamline the reporting and claims processes. Many low-dollar claims are validated through the website.
- 3. UP has developed a process to hold online auctions of safe deposit box items. The Treasurer's October 2017 online eBay auction of the contents of abandoned safe deposit boxes was a resounding success with strong bidding that brought in gross proceeds of \$78,716. The last auction hosted by the Treasurer's Office brought in \$15,000 in sales in 2012. The money raised is held in the owners' names in perpetuity.

PERFORMANCE MEASURES:

The main performance measure is to track the amount of unclaimed property received and distributed each fiscal year as well as the total number of claims paid. UP receives unclaimed property in the form of cash, stock, and safe deposit box contents from corporations, financial institutions, and political subdivisions. The property is accompanied by reports detailing last-known information about the owners of the property. UP provides basic ownership notification as required by Statute: a mailing to each owner for whom \$25 or more is reported, an annual publication of a list of new owners in newspapers across the State, and a claims-processing service for claims received in person, by mail, online, or on the phone.

Unclaimed Property also conducts outreach efforts: booths at county fairs and festivals across the State, maintaining an internet database of all owners, plus skip tracing and genealogical searches for owners. Residents are interested in the program because they want to receive money rightfully owed to them. As the amount of money returned to owners increases, so should customer satisfaction with the Unclaimed Property Division. UP now has two research specialists devoted to locating owners of unclaimed property

Program: 512 - UNCLAIMED PROPERTY

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

proactively. The annual amount paid out has grown since the inception of the program, as seen in the information below.

Number of claims processed by calendar year

- 2017 16.748
- 2016 16.984
- 2015 15,368
- 2014 16,592
- 2013 18,271
- 2012 12.147
- 2011 14,682

Dollar amount of claims processed by calendar year

- Calendar year 2017 \$15.3 million
- Calendar year 2016 \$16.3 million
- Calendar year 2015 \$11.8 million
- Calendar year 2014 \$11.7 million
- Calendar year 2013 \$11.2 million Calendar year 2012 \$6.6 million
- Calendar year 2011 \$10.3 million

Amount of unclaimed property received

- FY 2017-18 \$17,434,440 plus 5,806,100.519 shares of stock
- FY 2016-17 \$19,793,448 plus 1,178,996.5407 shares of stock
- FY 2015-16 \$29,512,520 plus 3,290,619.0870 shares of stock
- FY 2014-15 \$18,868,058 plus 1,560,923 shares of stock
- FY 2013-14 \$18,733,543 plus 757,707 shares of stock
- FY 2012-13 \$19,610,973 plus 842,8222 shares of stock
- FY 2011-12 \$16,944,037 plus 3,633,612 shares of stock

REQUEST PRIORITIES AND SIGNIFICANT ISSUES:

UP is working to modernize and streamline processes through the use of technology to add greater security and efficiency to the functions of the office. A major need of the office is to make the process of entering holder reports more efficient. Current software does not allow data submitted to UP by holders to migrate directly into the unclaimed property

Submitted on: 09/13/2018 16:02:26

Program: 512 - UNCLAIMED PROPERTY

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

database. Currently holders must create a properly formatted file through the State Treasurer's website or another application. UP staff then has to locate the holder profile in the database, manually add or update new holder information, and add a new report under the holder profile for the current report year. Next, the file submitted through the Treasurer's website or a third-party website where files are allowed to be submitted—or possibly another form not recommended by UP—needs to be located.

Once the file has been located, the report is loaded by staff using a separate import application. This process is time consuming with the volume of reports received and limited staff. Without significant changes to this process, UP is concerned that holder reports may not be entered in the timeframe prescribed by Statute. A new unclaimed property software application would allow holder data to migrate directly into the UP database without staff intervention. UP staff would only be required to review the data and clear the report for claim.

UP also will monitor servers and workstations to replace aging hardware as needed.

To comply with new federal regulations, programming, training, and software will be needed to provide claimants with property information once a claim is paid.

UP will continue to review processes to strengthen the security of our hardware, software, and procedures. In recognizing the possibility of fraudulent claims being filed, the office would like to implement greater risk control procedures.

One goal of UP is to promote awareness of the program. The division would like to continue to reach more constituents through a variety of methods, including the use of technology at outreach events.

The office would like to develop a mobile app to be used by staff at outreach events. The division will also update the outreach booth, materials, and signage.

Owner addresses may be old or incomplete; this is often why funds are unclaimed in the first place. To better locate owners, UP will skip trace more owner data to send more letters to deliverable addresses. The division is also seeking additional research tools to locate owners and return unclaimed property.

The office also will continue to sponsor online auctions of safe deposit box items, publish notice to owners of unclaimed property in daily Nebraska newspapers, mail notices directly to owners, make use of social media, and improve materials and tools to assist holders in reporting unclaimed property.

Program: 659 - LONG-TERM CARE SAVINGS PLAN

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

PROGRAM DESCRIPTION:

The Long-Term Care Savings Program was terminated, according to Neb. Rev. Stat. §§ 77-6101, 77-6105, 77-2716, effective January 1, 2018.

PROGRAM OBJECTIVES:

The Long-Term Care Savings Program was terminated, according to Neb. Rev. Stat. §§ 77-6101, 77-6105, 77-2716, effective January 1, 2018.

The goal of the Long-Term Care Savings Program was to provide an incentive for Nebraskans to save and prepare for periods of disability, as directed by Statute 85-1801. The objective of the Long-Term Care Savings Program was to administer, market and maintain an efficient and effective Long-Term Care Savings Plan for all Nebraskans, while complying with all State regulations.

PERFORMANCE MEASURES:

The Long-Term Care Savings Program was terminated, according to Neb. Rev. Stat. §§ 77-6101, 77-6105, 77-2716, effective January 1, 2018.

REQUEST PRIORITIES AND SIGNIFICANT ISSUES:

The Long-Term Care Savings Program was terminated, according to Neb. Rev. Stat. §§ 77-6101, 77-6105, 77-2716, effective January 1, 2018.

Program Narrative Report Agency: 012 - STATE TREASURER

Program: 663 - SPORTS ARENA FINANCING

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

PROGRAM DESCRIPTION:

The Sports Arena Facility Financing Program makes payments in the amounts certified to eligible participants under Statute 13-3108.

PROGRAM OBJECTIVES:

The objective of the Sports Arena Facility Financing Program is to distribute payments in a timely and accurate manner.

PERFORMANCE MEASURES:

The performance of this program is measured by monitoring distributions to ensure they are timely and accurate. The average for the last six payments is \$651,949.

REQUEST PRIORITIES AND SIGNIFICANT ISSUES:

Since 2014, distributions and transfers of state assistance have been made quarterly. Payments are completed in August, November, February and June or as certification is received from the Department of Revenue.

Program Narrative Report Agency: 012 - STATE TREASURER

Program: 665 - CONVENTION CTR FINANCING

Budget Cycle: 2019-2021 Biennium Version: A1 - AGENCY REQUEST

PROGRAM DESCRIPTION:

The Convention Center Financing Program makes payments in the amounts certified by the State Tax Commissioner to eligible participants under Statute 13-2610, Convention Center Financing Assistance Act.

PROGRAM OBJECTIVES:

The objective of the Convention Center Financing Program is to distribute payment in a timely and accurate manner.

PERFORMANCE MEASURES:

The performance of this program is measured by monitoring distributions to ensure they are timely and accurate. The average payment for the City of Omaha over the last six years is \$2.7 million and for the City of Lincoln over the last four years is \$1.6 million.

REQUEST PRIORITIES AND SIGNIFICANT ISSUES:

There are no specific priorities or significant issues for this program.
